GUESTS

Tom Vanzin received a consensus by council to have Jeff Gernsheimer design a 175th Bernville Borough anniversary logo. Mr. Vanzin reported to the council that he had been on the Shade Tree Commission for a while and one time he filed for a grant and needed to do a review of threes in the right way and in the parks. In fall, Mr. Vanzin and Mr. Shultz check trees to see if any are hazardous. Mr. Vanzin stated he has from 1999 to date all trees in the borough and parks. Mr. Vanzin placed the inventory on a state database.

Mike Burkholder, property owner of 20 S. Main St., requested that the council remove one trash and one sewer bill from his account. Mr. Burkholder stated he doesn't have anything in the 1st floor and after talking to Kraft Municipal Group it would cost to much to put a unit on the 1st floor. Mr. Burkholder was told to submit a letter to the borough requesting the removal of bills for the first-floor unit.

Debe Donley, library representative, gave an update on all the activities that were held at the library in 2024.

Kim Shultz, borough resident, asked council for an update on 253 E 4th St. Council stated that the property has been sold and the new owner is currently applying for permits and is going to rebuild the house that is currently on the property.

Luke Shultz stated there was a historic Bernville sign knocked down on Penn Valley Road and asked if anyone knew where it was. Vice President Kiebach stated the sign is in the borough garage.

John Kissling, Banville fire chief, stated that December 21, 2024, Santa will be riding on the fire truck in Bernville, Jefferson, and North Heidelberg Township. Mr. Kissling also stated that the fire department's holiday drawing will take place on December 6, 2024.

Jessica Strunk, borough resident, spoke to council about the water shut off notice she received for non-payment of water and sewer services. Ms. Strunk asked the council if she could set up a payment plan. Solicitor Mayfield will draw up the terms of the payment plan.

SECRETARY REPORT

Secretary, Brenda Strunk, reported that the borough was awarded a grant in the amount of \$73,103, from DEP, to upgrade the yard waste recycling center.

Secretary Strunk reported that water shutoff notices were sent for non-payment of water and sewer and there are five properties scheduled to be turned off December 4, 2024.

COUNCIL REPORTS

Councilmember Randy Copenhaver stated that he will work on a street improvement plan over the winter. Mr. Copenhaver reported that the Christmas lights were hung along Main Street and two were hit by a truck.

Mr. Copenhaver asked the council's thoughts on having a 5-person council instead of a 7-person council. Solicitor Mayfield will review how to go about changing to a 5-person council.

Vice President Justin Kiebach stated that there is \$4200 budgeted for street signs. Mr. Kiebach received a quote from Mainstream for signage and materials. This is for Stevens Ave and East. All signs and posts would be replaced with matching and meeting requirements. The quote is \$4,197.95. Consensus by council to have Mr. Kiebach place the order with installation to happen in spring of 2025.
